

# Welcome to Kindergarten!

On your staggered entry date, your child will only need a snack and a lunch. If your child will be buying a cafeteria lunch the prices are \$2.25 and \$.40 (qualified reduced). Any medications (prescribed or over the counter) will need to be checked in at the main office. Form 1702 must be completed by your child's physician and signed by a parent and prescriptions must be in the original container with the pharmacy label attached. School staff are unable to accept or dispense medications without the required documentation. Backpacks and additional supplies are not needed until your child is placed in a classroom.

Parents will need to walk in and drop off their child in the Kindergarten hallway on the staggered entry day. Bring the completed survey concerning transportation and contact information from this summer packet.

## Kindergarten Basic Supply List\*
